Opsætning af Billing Account

English version below

Hvorfor skal jeg tilføje mit betalingskort?

For at kunne benytte services som f.eks. Google Maps og reCAPTCHA kræver Google, at der er tilknyttet et betalingskort til kontoen.

Google stiller hver måned en kredit til rådighed. Hver gang en af deres services anvendes, trækkes forbruget fra denne kredit.

Hvis den månedlige kredit mod forventning bliver opbrugt, kan Google opkræve et mindre beløb pr. brug af servicen.

11. Den nye **Billing Account** er nu knyttet til projektet.

Setting up a Billing Account

Why do I need to add my payment card?

To use services such as Google Maps and reCAPTCHA, Google requires a payment card to be linked to the account.

Google provides a monthly credit. Each time one of their services is used, the usage is deducted from this credit.

If the monthly credit is unexpectedly used up, Google may charge a small amount per use of the service.

How to create a Billing Account

1. First, log in to Google Cloud Console. You can do this by going to this URL: [Google Cloud Console](#).

The image shows a screenshot of the Google sign-in page for Google Cloud Platform. At the top, the Google logo is displayed in its multi-colored font. Below it, the text "Sign in" is centered, followed by "to continue to Google Cloud Platform". There is a text input field with the placeholder text "Email or phone". Below the input field, there is a link "Forgot email?". Further down, there is a line of text: "Not your computer? Use Guest mode to sign in privately." followed by a link "Learn more". At the bottom left, there is a link "Create account". At the bottom right, there is a blue button labeled "Next". At the very bottom of the page, there is a footer with "English (United States)" and a dropdown arrow, followed by "Help", "Privacy", and "Terms".

2. Click the menu in the top-left corner.

3. Click **Billing**.

The screenshot shows the Google Cloud console interface. On the left is a navigation menu with the following items:

- Cloud Hub >
- Cloud overview >
- Solutions >
- Recently visited >
- Favourite products**
- Favourite products appear here
- Products**
- Billing** ☆ (highlighted with a red arrow)
- IAM and admin ☆ >
- Marketplace ☆
- APIs and services ☆ >
- Vertex AI ☆ >

The main dashboard on the right is dimmed and shows the 'Welcome' message, the project name 'Kunde', and the same set of quick access buttons as seen in the previous image.

4. If a Billing Account is already linked to the project, click **Manage billing accounts**.
If no Billing Account is linked yet, click the blue **Create Billing Account** button instead.
